

Our Product

Custom Gift Pack Design Guide

Items for gift packs can be expanded to include special requests made especially for you!

Honey

Chemical free beekeeping practices allow for 3 distinct honey harvests each with their own flavor profile.

Teas

Recipes include farm harvested culinary lavender with a wide variety of organic tea blends.

Gourmet Food

From Lavender scone mix to lavender & honey coffee, to herbs de Provence infused grapeseed oil and more...

Bath/Home

Lavender sachets perfect for every home, custom lavender soaps, and aromatherapy pods.

FAN FAVORITES

Honey Gift Duos

4 and 9 ounce sizes standard. Custom bottles and sizes upon request.

WHAT DO YOU HAVE IN MIND?

We want your gifts to be as special as the friends you are gifting to. Share your target price point, and we will share with you the infinite options for creating perfect locally sourced custom gift packs. All pricing includes gifting ready packaging options you love.

About us

The name Petite Provence Farm is a nostalgic nod to my family's French roots and central Indiana farming legacy. While our tiny farm plot is "very Indiana", we pride ourselves on creating and packaging our products in a sustainable and refined manner, suitable for only the best French farmer's market!

We offer a limited seasonal offering of lavender and honey products. We hope you will enjoy them as much as we enjoy sharing them with you!
